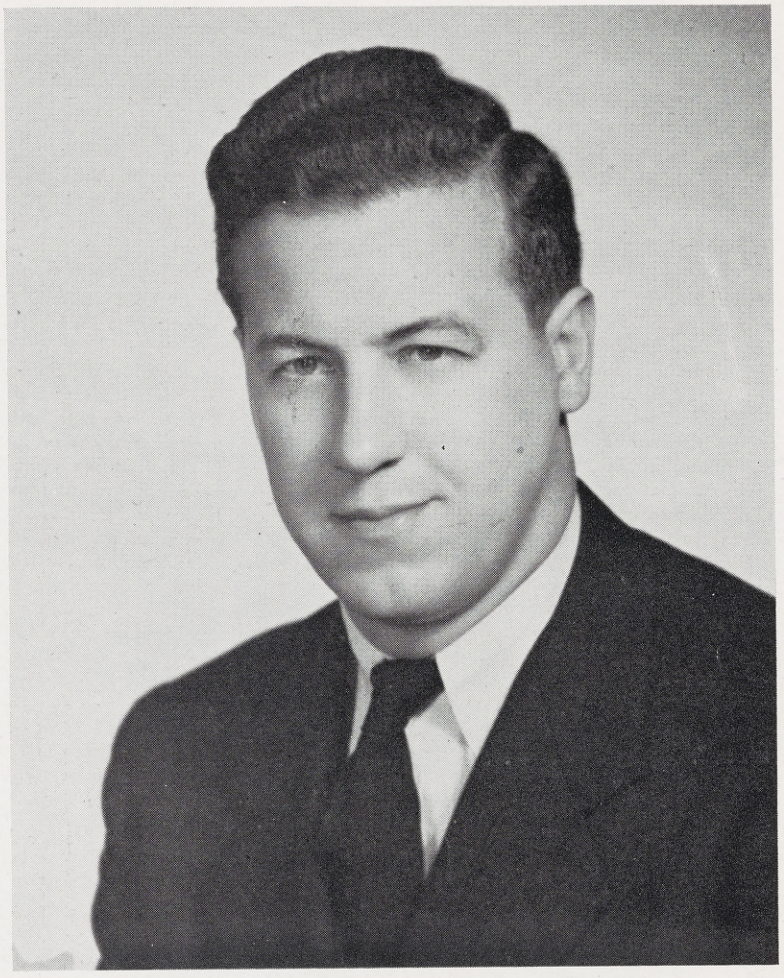
Pastor of St. Joseph's, Alameda

Pastor's Message

Gratitude—mindfulness of favors received—ought to fill your hearts today; gratitude toward the Church who in her wisdom provided for your education in soul, in mind, in body. You must be aware, too, of the self-sacrifice of your priests as they furnish the spiritual background and nourishment, into which the school might build. And finally, you know full well the role of your parents and teachers who complete each other, and who, under God, are responsible for shaping the character which is yours.

May this gratitude which you now know, remain in your hearts to grow firmer with the years . . . and bear fruit in the undying loyalty that will be yours . . . loyalty to the Church, to your Pastors, to your parents, to your school.



BROTHER HERMAN J. KECK, SM., M.A.
Principal of St. Joseph's High School

Principal's Message

Congratulations to the Senior Pilots who in the face of the flying flak of opposition brought their first mission with full powerdive to a successful hit. The splendid Pre-Flight Training enabled the young Pilots to guide their planes to the target.

My prayer is that each of you, armed with the grace of God, under Mary's guidance, with St. Joseph as co-pilot, will continue to direct your soul in an ever increasing Powerdive toward your Eternal Objective. May you dive with unerring accuracy, heedless of the rush and roar of the winds of temptation, keeping the target constantly in sight so that after your brief run you may report back to hear the Master say: "Well done, my faithful and successful Pilot of St. Joseph's."

Dedication

BRO. PETER MAIER, S.M.
Born August 30, 1884
First Religious Profession
August 25, 1901
California, 1920—1945
Died December 15, 1945

It is with a touch of pride that we dedicate the first copy of "Powerdive" to Brother Peter. He would be very happy to read these pages for always was he interested in the betterment of St. Joseph's.

But a short year ago Brother Peter walked in our midst teaching us Geometry, Trigonometry, German—but he did more than instruct. By his kindness, his patience, his manliness, he drew out of us the best that was in us. We always felt that Brother Peter was our friend, even when he saw fit to punish. He was one of us, a Californian by adoption and by choice. Twenty-five years of living to the full and in closeness to God's nature, gave Brother Peter an intimate knowledge of our Golden State. He was one of us.

He is still one of us. And as he daily makes his way before the Throne of God, we ask him to remember those who loved him so.

Juniors

We first entered St. Joseph's in September of 1943, green and expectant Freshies, eager to pursue the path of higher education. The first week we spent in learning each other's names, where we weren't supposed to go, where the 'gym' was, and the 'swimming pool.'

It didn't take us long to find out why they called us the "brief case boys," and that if we didn't study, a little row of D's greeted us every six weeks. From the very start a few of our number maintained a scholastic lead. Many of us, too, found time to make a name for themselves in basketball and track. One of our classes, Freshman B, led the school in the Mission Drive.

We came back as Sophomores in September of 1944, still divided into two classes, Sophomore A working its gray matter on Latin, Sophomore B exercising its vocal cords in sociology. This year six of us made the honor roll and one of us copped a berth on the varsity basketball squad. Two of our number quietly groomed themselves in public speaking.

We returned as one class, fifty strong, in September of '45, amid new lighting fixtures, painted walls and new floors. It looked like a new school. This year we boosted our number on the C.S.F., gave of our abundance four first-string men to the varsity basketball team, and maintained our lead in the mission drive. We held two dances to prepare financially and in experience for the big event of the year, the Junior Prom, held on May 3rd at the Sequoyah Country Club. We hope to return as Seniors to round out four happy years at the Pilot School.

Sophomores

After two years at St. Joseph's, this class has shown a lot of spirit in all its activities. These boys followed the tradition started by the Soph classes before them in putting on their class dance, the "Bell Hop," at Christmas time. In the hands of these boys the Sophomore Missions total was higher than ever before. Some of the talent for "A Message From Khufu" came from this class, and several of the boys are on the C.S.F. Honor Roll. One of the boys is seriously preparing himself to be an orator some day. He is Colin Chilton who won the local Speech Contest sponsored by the Lions Club, and captured their Regional Contest on May 5. There are also a number of industrious athletes in this class who are preparing themselves for work on the Varsity Baseball and Basketball teams next season. In fact, a few of the Sophs were already on the Varsity teams this season. This class, whose spirit is high, is true to St. Joseph's tradition.

THIRD ROW: Edward Munhollen, Robert Stanley, Robert Fraser, Jack Veasy, Lawrence Foley, Robert Pyke, Robert Roach, Richard Mayo, Kevin Carey, George Jefferis, Jack Kenny. ABSENT: Edward Flores.

Freshmen

Of all the Classes that have ever passed through St. Joseph's, the Freshies are one of the most spirited. Although they have been in high school only a year, they are already among the leading classes on the C.S.F. Honor Roll. They have shown a great deal of enthusiasm in forming the Freshman Sodality with Brother Rielly as moderator. There are a large number of budding athletes in this class who certainly made a good showing in baseball and basketball. Three boys made "B" basketball this season, and the "B" baseball team was about half Freshmen. With hardly any chance to excel, these boys have shown prospects of doing much better in the future. One of the Freshies, Richard Mondon, has been doing some speaking this year, and has won the Post-Enquirer speech contest in the East Bay. Some Freshies even tried their hand at acting in "A Message from Khufu." Let us hope that these boys can hold this spirit in their succeeding years.

Speech

A world tossed about by the winds of false philosophies needs men who are not only grounded on the deep-based rock of Christian convictions, but who can also give forceful expression to their beliefs. It needs leaders. The speech society was formed with this in mind. Joseph Borges goes on to represent the East Bay at Seattle in the Hearst Publications Speaking Contest; Richard Mondon captured top Junior Division in the same contest; Colin Chilton is competing in the Northern California finals of the Lions Club Contest. This is a dream year in any speech club.

Drama

With the coming of the Activities Period this year, dramatics had a chance to organize. A rather ambitious program was carved down to reality by the limitations of time and space. Two complete sets of players began work on a one-act play, "Message from Khufu"; the better group remained for the final production. The backstage crew did a bang-up job of the sarcophagus as well as sound effects, and the general hokum that make Khufu a favorite. It is hoped that this beginning will prepare the way for bigger and better plays at St. Joseph's.

Senior Sodality

The Sodality of the Immaculate Conception was formed in September of 1944 with one unit organized for all four years. Affiliation with the Prima Primaria was an objective from the very start; the coveted document of union arrived on March 28, 1945. The Sodality has a second patron, St. John Bosco.

The Constitution, adopted in June of 1945, is based upon the Sodalities of Father William Joseph Chaminade, Founder of the Society of Mary. Filial Piety to Mary, the devotion of Christ Himself to His Mother, is a Sodality objective.

Freshman Sodality

In September of 1945, the Sodality branched out into a Junior Division composed of Freshmen. The Sodalists-to-be pass through several periods of probation, as Postulants, Aspirants, and Probationers, with the final goal of Sodalist reached in December of the Sophomore Year. The present group is learning the duties and privileges of Sodalists; the hope of the Moderators is that in the near future there will be a Sodality Division for each of the years of high school. Both Senior and Junior Sodality took part in the activities of the Diocesan Federation of the East Bay.

AL ALFONSO
Varsity Basketball Coach

To keep the traditional good teams in basketball at St. Joseph's, coach Al Alfonso had to work hard and long to perfect the Pilots into one of the finest and fastest working floor teams seen wearing the Orange and Blue. With only one returning letterman, Dave Ahern, from last year's squad and the use of only one Senior, Herman Furino, Al accomplished excellent results; newcomers were John Sousa, guard, Bob Miller, forward, John Petersen, center, and Sophomore Jack Zboyovsky, guard.

Coach Alfonso remembered as a hoop star of the Class of '43 works at the Alameda Air Station. In spite of the handicap of no gym and of conflicting working hours, Al has produced great sportsmen—a near-championship team.

The basketball team seemed on its way to a CCAL championship, but luck ruled otherwise and the Pilots finished one game behind the Bellarmine Champs. Honors go to Captain Dave Ahern, a Junior, who made the CCAL All-Star Team—for setting two new league scoring records, 36 points for one game and 261 points for the sixteen league games. Dave also copped positions on the East Bay All-Star Team, the All-Northern California Publicity Team, and the S. F. J. C. All-Tournament Team. John Sousa played for the East Bay All-Stars. He and Bob Miller received honorable mention on the CCAL All-Star Team. Herman Furino, Senior, and Jack Zboyovsky, Sophomore, deserve much credit for their steady performance at guard.

Baseball, never a major sport at St. Joseph's, came into its own for the first time last year, with the Pilots meeting and faring very well against several top Bay Area teams. Competition has been keen in this the first year of CCAL organization in Baseball, nine teams participating. One round (just beginning) will decide the championship.

Seniors Don Jenkins, pitcher, Paul Diehle, second baseman, Frank Falls, third baseman, and Ron Dalto, shortstop, each a letterman from last year, are the Pilots' topnotchers.

Talented and enthusiastic Freshies and Sophs make up Brother Becker's B baseball team. Most of these same lads engaged in inter-scholastic basketball, either on the Junior Varsity, C team, the 110 or 120 pound teams, and expect soon to take over Varsity berths. Brother Rose's Junior Varsity basketball team finished mid-way in the League standings.

Track fell off a bit this season at the Pilots' School. Graduation depleted the ranks of some of the bright spots.
